(While in Canada Alex was married to Linda Diane (maiden name: Pounder), born: January 16, 1949).

Separated in 1970 before Linda gave birth to son on December 20, 1970. named him Joseph Alexander Fekete. Since most of my time after separating was spent in the United States I did not get to see Joseph very often. In the meantime Linda re-married to a Robert William Arthur, (born September 8, 1949). In 1980 Linda and Robert adopted Joseph. Joseph's whereabouts is unknown to us.
