

How to Put on a Duvet Cover

Follow These Easy Steps

1. **Turn duvet cover inside out.**
2. **Lay duvet cover on bed** with the opening at the foot of the bed. (May be easier with opening at head of bed)
3. **Lay comforter on top of duvet cover.** Tie the corners and middle of Duvet to Cover. (IF you have ties)
4. Starting at the head of the bed (closed end), **roll both the duvet cover and comforter together** toward the foot of the bed. (Toward the opening in the cover).
5. Once at the end, **invert the duvet cover opening around the ends of both sides** of the bundle (like a sandwich baggie).
6. Button or zip the duvet cover closed.
7. **Unroll the bundle** in the opposite direction (back toward the head of the bed) and fluff.
